This comprehensive assessment aims to identify areas of strength and weakness, guiding targeted instruction and curriculum development to improve overall English language competency.

Understanding the Secondary Level English Proficiency SLEP

What is the SLEP?

The Secondary Level English Proficiency SLEP (Standardized Language Evaluation Program) is an internationally recognized exam that assesses the English language abilities of students in secondary education, typically ranging from grades 9 to 12. Originally developed to assist educational institutions in determining whether students meet language proficiency standards necessary for academic success, the SLEP offers a standardized approach to evaluation. It is often used for placement purposes, program admissions, and to track progress over time.
